# Snow Removal Plans

- 1) **Season Contract** – Snow is plowed after any storm that accumulates six inches of snow or more. This plan is paid up front for a rate based on the length, width, and difficulty of the driveway to be plowed. This is the ideal plan for those who want to know that their snow removal needs will be taken care of and do not want to receive a monthly bill.

*Rate = Starting at \$750.00*

- 2) **As needed** – Snow is plowed at your request. We require 48 hours notice to guarantee the driveway will be done when you arrive. A fee of \$25 will be charged with any less notice. This plan is ideal for anyone who does not want to pay for more plowing than they need. You will be billed on the first of every month for all services performed the month prior.

*Rate = \$75.00 per hour with a one hour minimum*

- 3) **Two feet (+) of accumulation** – Snow will be plowed automatically when the snow depth on your driveway reaches two feet of snow or when requested by the homeowner. This plan is ideal for anyone who will not be at their cabin frequently enough to keep up with the snow accumulation.

*Rate = \$75.00 per hour with a one hour minimum*

- 4) **Your Choice** – If you have any other arrangement you would like to make please talk to me so we may price it and make it work the best way possible.

## JUST A REMINDER.....

To make your winter season service with HSR as hassle free as possible, we are providing you with some things to remember. By helping me with these things I will be able to give you the best service possible in the most economic way possible.

1. I will send out informational e-mails concerning weather, snow level totals, and any other helpful information on a regular basis throughout the winter. Please provide me with an e-mail address to receive this e-mail.
2. Please make sure that all driveways are **marked** prior to the first major snowfall.
3. Clear driveways of all toys, logs, snowmobiles, or any other obstructions that may be in the path of the snow plow.
4. If you are requesting snow removal on a one time basis, please give HSR **AT LEAST 48 HOURS NOTICE** to guarantee on time service. **A LATE FEE WILL BE CHARGED IF NOTICE IS NOT GIVEN**. The more notice given, the better I will be able to accommodate your needs.
5. Season customers please let HSR know when you will be visiting your cabin so we can make your driveways a priority if it snows when you are here. If I don't know you are here your driveway will be plowed in my normal rotation.
6. Waiting until the snow level is greater than 2 feet of snow will most likely result in additional charges. Please keep track of how much snow is standing in your driveway. I will gladly check it upon your request.
7. HRS is not responsible for any snow or ice on the driveway that may have cleared off of the roof or a result of drifting snow. This can be cleared for an additional charge at HSR discretion.

Thank you for your cooperation, and have a wonderful winter!
